Adding Non-library or External Sites in Room Reserve/Events

Article Number: 475 | Rating: Unrated | Last Updated: Tue, Nov 6, 2012 at 11:26 AM

Q: I have Branches/Rooms already set up, and some external, non-library sites where the Library has held events are listed in our branch list.

How we set up a location for an event in a site that is not a library.?

I see that we can create a "location,
