

## What is new in Summer Reader 2013?

Article Number: 494 | Rating: 5/5 from 1 votes | Last Updated: Tue, May 7, 2013 at 7:11 PM

Summer Reader version 10 was released in March of 2013. Customers will get this new version starting in March and through the following couple of months. **This version did not create any major user interface or workflow changes, however, it did fine tune existing Summer Reader features.**

### **THE TOP THREE ITEMS TO NOTE ARE:**

—  
**- As we do each year, we've created new styles templates to apply to your programs' page(s). To preview, download, and use 2013 style templates and certificates, please check here for information: <http://kb.demcosoftware.com/article.php?id=496>** If your library is part of a state-wide contract, your templates will be uploaded to your Summer Reader site automatically by April, 1st 2013! - Streamlined password retrieval process and eliminated the ability to create a non-secure "Username Only
