WANDOO READER PRIVACY POLICY Last updated date: January 6, 2016 Hi Visitor! Those of us at Wandoo Reader take privacy seriously. You should not disclose any information online to anyone that can be used to identify you without your parent's or guardian's consent. At Wandoo Reader, we do not collect any information that can be used to personally identify you outside of Wandoo Reader (which we call the "Website") without your parent's or guardian's consent. Below is some additional information on what information we do collect and how we contact your parent or guardian. **BY USING THE WEBSITE (OR IF YOU ARE A PARENT OR GUARDIAN -- BY PERMITTING YOUR CHILD TO USE THE WEBSITE), YOU AGREE TO OUR PRIVACY POLICY. IF YOU DO NOT AGREE, DO NOT USE OR ALLOW YOUR CHILD TO USE THE WEBSITE.** Wandoo Reader is owned and operated by Evanced Solutions, LLC. **NOTICE TO PARENTS AND GUARDIANS REGARDING ACCESS:** The Website collects personal information from users under 13 years of age only after consent is given for such collection in compliance with the Children's Online Privacy Protection Act ("COPPA"). No personal information (as defined by COPPA) will be collected before consent is given except enough information required to send parents or guardians a notification of your child's request to register with Wandoo Reader. Any information collected from your child to register with Wandoo Reader is used only to notify you that your child has joined the Wandoo Reader library program. Since a child's Wandoo Reader account is tied to your child's local library, we need to collect a sufficient amount of personally identifiable information about your child to allow your library to identify your child and track their reading and award prizes. As a result, if your child wishes to use Wandoo Reader, we will send you notice. If you are a parent or guardian you may access the information we have regarding your child, request that we cease collecting or using your child's information, or request that we delete your child's information and account at any time. You may do so by contacting Evanced Solutions, LLC., the owner and operator of Wandoo Reader and this website, by email at support@wandooreader.com or post. Evanced Solutions, LLC
