In case you missed the recent Enhancements to SignUp, Spaces, and D!BS webinar on September 12th, 2019, we are sharing the recording for you to check out when you have time.

We covered many product enhancements our development team has been working on and also when you can expect them to be available. There are a lot of things to get excited about, including:

-Â Â The ability to schedule multi-slot patron appointments in SignUp

-Â Â Mobile responsive design and independently bookable equipment in Spaces

-Â Â Improved reporting capabilities and calendar view in D!BS
