Important Notice On August 31, 2024 the Demco Software product(s) you currently subscribe to will no longer be available. The software solutions we offer are quickly reaching a point at which they are unable to be supported, and so we have chosen to be proactive and sunset the product. We apologize for the inconvenience this will cause you. We know you rely on these products to keep your library running, so we want to provide you with time to find a suitable alternative. Depending on your renewal date, you will have at a minimum 4 months before your subscription ends. Please see the [FAQs article](#) for additional information on exactly how this impacts your subscription. Our Customer Support team is available to answer any additional questions and help you through the transition to a new solution, should you need it. Please submit a ticket and we will be happy to help. **Â**
