To view or print a handy schedule of independently bookable equipment, use the **View/Print Bookable Equipment Schedules** report. You can access it from the [Room Reservation Maintenance](#) menu.

<b>Date</b>	Choose from a range of daily, weekly, or monthly reports. Or choose a custom day or date range .
<b>Select Equipment</b>	Choose what items to include in the report.
<b>Include Custom Questions</b>	If you've set up reservations to include and custom questions, you can include those answers on the report if you wish.
<b>Status</b>	Show all reservations or break them down by reserved, payment pending, pending, canceled, or denied.
<b>Display Type</b>	HTML is a web page, Word is a word processing program, Excel is a spreadsheet, and CSV format is easily read by a wide variety of text editors.
