Configure the system Assist patrons with reservations Accept or deny reservations Post fee and deposit payments access reporting tools

What Happens When They Work Together?

When Events and Room Reservation are partnered:

- Room Reservation appear on the Events Calendar at the discretion of the library. Both Room Reservation and Events recognize reservations conflicts regardless of a reservation's appearance on the Events Calendar.
- Events that use rooms configured in Room Reserve always appear on the Room Reserve calendar.
- Locations created in Events are not available to Room Reserve, unless they are configured as rooms in Room Reserve.
- Rooms configured in Room Reserve are always available to Events
- When Events and Room Reserve are partnered, Events assumes custody of holiday and closing functions
