Are you a library who is having trouble setting up your program or do you not have time? We have the solution for you! In this article, there are 12 templates to help jump start your Summer Reader programs. Each template caters to a different setup so you can find one to fit your needs. Each program template has a brief description describing who it would suit and what features it has. These programs can be edited once they are in your system, but they will have all the required settings in place so it is able to use "out of the box", with just minor edits. Also, all of these programs can be easily installed into your Summer Reader program by you or your staff. The descriptions are listed below. **Program Templates:**

1. Group Registration

This program is set up for groups or classes of kids to participate together in Summer Reader. A teacher, librarian, or parent will register as a master account and use the one account to log books for all of the kids at once. Prize levels and certificates are set up so the kids can receive goodies as they accomplish each goal. There is also a program goal that the group can choose so they can add their own group prize to the reading program outside of the already set up goals! Quickhelp: Who is this for: Groups Registration type: Group only Username/Library Card: Username/Password Registration Registration Restriction: Grade Level Logging/Review: Only Staff/Admin can log, no patrons Facebook Integration: No Logging Type: Hours Program Goal: 20 Hours Patron Goal: Yes Prizes: 1 prize for every 4 hours read. 2. Avid Readers with Reviews-Kids

This program is set up for kids who love reading. It is a basic program with prize levels and certificates set up to motivate the kids to keep reading. This also allows kids to write reviews on their books which gives them a chance to express how they felt about it to other members in the group. From there, other members in the program can comment on reviews and share their recommendations on similar books or share similar interests. We have also set this program up to be fully mediated so the kids will need parental consent to sign up as well as a staff approval to post reviews and comments. Quickhelp: Who is this for: Kids who want to read and review books Registration type: Individuals or Groups Username/Library Card: Username/Password Registration Registration Restriction: Age Logging/Review: Logging, Mediated reviews and comments Facebook Integration: No Logging Type: Books Program Goal: 5 Books Patron Goal: No Prizes: 1 prize for signing up and 1 prize for every book read.
