You can download a copy of the Version 7 Manual for Room Reserve below. First, read the following disclaimer:

 1. EVERYTHING in the manual is taken directly from this knowledge base. The manual is simply an export of the exact same articles you can find on this KB.

 2. WE DO NOT RECOMMEND PRINTING THIS MANUAL. It is over a hundred pages long. It is better to view it online. We offer this PDF version only because of customer requests for it.

 3. IF YOU DO PRINT THE MANUAL: the pages are over-sized. Please use the 'shrink to fit' feature when you go to print it. If you don't, your printer will not print a valid copy. Again, we strongly encourage you not to print this manual.

 After you have read points 1-3, click here to download the manual.
