Differences between SignUp and Events

Article Number: 490 | Rating: Unrated | Last Updated: Thu, May 25, 2017 at 4:48 PM

Currently SignUp does not offer these features which exist in Events. Most, but not all, will be added soon. Patron Personal Calendar *(Planned future feature - no ETA)* Integration with Room Reserve *(Note SignUp integrates with our new program, Spaces, to cover room booking)* Local server installation *(this will not be possible with SignUp)*

The following chart will help you compare the two products.

Events	Feature	SignUp
Yes	Local Server Install	No
Yes	View Personal Schedule	No
Yes	Authenticated Residency Restriction	Yes
Yes	Patron-side Registration Cancellation	Yes
No	WYSIWYG Event Editor	Yes
No	Multimedia Embed	Yes
No	Event Preview	Yes
No	Report Customization and Branding	Yes
No	Save Unfinished Event	Yes
No	Staff Notification of Registrations	Yes
No	Staff Event Cancellation	Yes
No	Staff Security Roles	Yes
No	Event Templates	Yes
No	Activity Dashboard	Yes

* *Events Mobile requires an additional installation performed by Evanced Support. When accessing the calendar on a mobile device, a specific URL must be used. Automatically redirecting to the mobile version is not possible.*
