

Spaces Patron Relationship Management

Article Number: 545 | Rating: Unrated | Last Updated: Fri, Oct 17, 2014 at 4:56 PM

Spaces patron/organization relationships are managed via the *Find Organizer* tab in the **Spaces** menu: **Click** on Find Organizer to open the menu. If you have pending patron/organization relationships to approve or deny they will appear as they do below: Please [click here](#) for information on **Spaces** Organization Management.

To approve or deny **click** on the appropriate button:

A pop up will appear with either an approval or denial:

Custom Fields Applicable To: Staff Users **Attachments:** No **Summary:** Use the Find Organizer tab to approve/deny a relationship to an organization.
