
eCommerce Setup Instructions for SignUp and Spaces

Article Number: 619 | Rating: Unrated | Last Updated: Tue, Nov 20, 2018 at 4:14 PM

This article will walk you through the basic process of setting up the **Patron Only** access for eCommerce for SignUp and Spaces. If you would like more information on fees and [other information click here](#): 1. Contact [Product Success Support Team](#) to purchase the eCommerce add-on. Please specify whether you need eCommerce for SignUp, Spaces, or both. 2. After have received your request, you will receive an email from our team that provides instructions to implement Braintree (our eCommerce vendor). Please note, you must have a Braintree merchant account in order to properly assign your account with our software. 3. Complete the Braintree merchant account application form Braintree's website at www.braintreepayments.com. After you have submitted your application to Braintree, your status will be "pending" as you await their approval. 4. Upon Braintree's approval, a confirmation email will be sent to you. You can then proceed with the E-Commerce Setup on your Demco Software product by signing in as the admin and clicking E-Commerce Setup under Settings. Once you have approved the connection to your Braintree account to Demco Software, please inform the Product Success Support Team. The team member handling your eCommerce implementation will then inform you when your system configuration is complete. They will also enable the payment processing for each module you specified, please be sure your payment fee structure has been submitted as well.
