To our Summer Reader customers: We have decided to discontinue Summer Reader effective May 31, 2022. The software will continue to be supported and have full functionality until that time. We apologize for any inconvenience this may cause, but our hope is that by alerting you now we have given you enough time to evaluate other solutions in time for your 2022 Summer Reading Program. If you have any questions, please contact our Sr. Software Product Manager Todd Feece (toddf@demco.com).

If your subscription ends on or before May 31, we will not be offering you the opportunity to renew your subscription. If your subscription ends between June 1 and December 1, we will either credit your account or provide a refund for the prorated portion of your subscription.

Sincerely, **Matt Mulder**

Executive Customer Solutions Owner
